

Pixley and District Parish Council

Neighbourhood Development Plan

Tue 17th May, 7.30pm at The Nest

We invite **all** residents of Aylton, Little Marcle, Munsley and Pixley to come and discuss plans for development of the parishes over the next 15 years.

- A Neighbourhood Development Plan (NDP) gives local residents control over what development takes place and where.
- Have your say over local housing, travellers' sites, business and agricultural developments, etc.
- Once the NDP is formally adopted, planners **must** take note of it when making decisions.
- Explanatory introductory talk followed by an open discussion.

This is **your** opportunity to have an input into local planning decisions.

More details on www.pixleyanddistrict.org.uk or contact the Clerk via pixleyclerk@btinternet.com.
