

Pixley and District Parish Council

Neighbourhood Development Plan

Minutes of a meeting of the Steering Group held on Wednesday 8th February 2017 at The Nest, Munsley at 7pm

Present: Pelham Hawker, Lesley Clothier, David Nicholson, Wendy Cox, Charles Thwaites, Steve Swaites, Ken Bray, Andrew Wynn, Kelvin Lynch

Apologies: Isabel Dunn

David Nicholson produced the latest draft of the questionnaire including all amendments made by him following two earlier meetings and some representations by email.

The group considered each section of the questionnaire line by line and further adjustments were made.

It was agreed that all these changes would be made into a final version for approval at the next meeting. Further comments need to be made by email in advance of this so that the document is ready to print as soon as possible.

Quotations from 3 printers have been sourced and a decision on which to use will be taken at the exceptional meeting of the PC on 21st February.

At the next meeting we will talk about how to distribute and collect the questionnaires.

After the meeting the chairman asked The Nest whether they would be prepared to have host a postbox that parishioners could use to return their completed forms. They would indeed be happy to do so.

Meeting closed at 19.15pm.
